Hi my name is _____
my story is about when I went up to
the sand dunes dirtbiking with my step
Dad and my brother _____ also my sister
_____. We went up there because it was
my 13th birthday. The reason why we went
up there mostly is because I just barely got
my brand new dirt bike. It is ~~was~~ one of
the newest dirt bikes in my family. So we
took it up to the sand dunes to test it
out it was really really fast. I was
going really really fast and I flew off
a cliff and banged my chin on my
handle bars. It was bleeding really bad.
So then we had to take me to the
hospital and get stitches.
